

**REMARKS/ARGUMENTS**

**REMARKS**

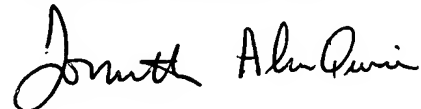

The Notice alleges that a description of Fig. 6H is not found in the Brief Description of the Figures. In fact, a description of Fig. 6H is already found in the Brief Description at paragraph 0034. However, to facilitate issuance, Applicants have amended the specification to add paragraph [0036A], further briefly describing Fig. 6H.

No new matter is introduced by the amendment. Support for the amendment is found, e.g., at paragraph 0034 and paragraph 0077.

Applicants note that the application is in condition for issuance and request that the application issue at an early date.
